11. PRODUCTIVITY BONUS PAYMENT SCHEME

The parties commit to negotiate and implement a Productivity Bonus Payment Scheme by 1 August 2000.

In the absence of an agreed scheme a 1% bonus will be paid to all employees on 1 August 2000 and 1 August 2001. Each 1% will be calculated on the previous 12 months gross wage of the employees at the date of calculation.

Such bonus will be paid for the maintenance(status quo) of existing levels of key performance indicators as follows:

Scrap: 3% Product Weight: 1% Down-time: 4%

KPI's will not be immediately affected by the introduction of additional production machines. For the first six (6) months of their operation, on any additional machines, any increase in scrap, product weight, or down-time will not be factored into the calculations to determine KPI performance.

12. HOURS OF WORK

(a) Ordinary Hours

Employees covered by this agreement will work an average 38 ordinary hours per week over a four week roster cycle. In addition each employee will work an additional, on average, four(4) hours per week to enable the effective use of a continuous production utilising shifts of 12 hour duration. All such hours to be paid at the ordinary hourly rate as set out in this agreement.

(b) Additional Hours (overtime)

An employee working additional hours to their rostered shift or hours in addition to the average 42 hours per week set out in clause 11(a) shall be paid overtime rates at the rate of time and one-half the hourly rate.

(c) Public Holidays

- (i) Team Leaders and team members working shift work will be required to work Public Holidays should such a day be their rostered shift.
- (ii) When rostered to work but not required to work Public Holidays will be paid at the ordinary rate, for the shift.

13. Annual Leave

All 12 hour Shift Work employees will be entitled to 6 weeks paid annual leave per year.

This leave may be taken in accordance with the annual close down provisions of the award.
